

uniform designation for the posts of District Social Welfare Officers in the State.

Order No. P & D 102 SWS 13, dated 21st February 1958.

No. P & D 57 SET 59, DATED BANGALORE, THE 21ST OCTOBER 1959.
(ASVIJA 29, SAKA ERA 1881).

hence, the Welfare Officers at the District level in the integrated areas have the following designations :—

Mysore area	... Special Officers for Depressed Classes.
Coorg District	... Welfare Officer.
Madras area	... District Welfare Officer.
Bombay area	... District Backward Class Welfare Officer.
Hyderabad area	... Social Service Officer.

different designations lead to confusion and as it is very desirable to bring uniformity in the matter, Government have decided that all these officers should be designated as District Social Welfare Officers in all the areas.

At present, some of these District Officers work in separate offices of their own and some others have their offices attached to the Office of the Deputy Commissioner of the District concerned. Government consider that it will be in the interest of administrative efficiency and prompt disposal of work, if the District Social Welfare Officers are made to work in the Office of the Deputy Commissioners in all the Districts of the State. In the South Kanara District, the Social Welfare Officer works in the Office of the Deputy Commissioner, and he functions as Executive Assistant to the Deputy Commissioner, for Social Welfare work. He is also the head of the Social Welfare Section in the Deputy Commissioner's Office. As this arrangement has been working very satisfactorily, Government direct that the same pattern should be followed in all the Districts of the State. Henceforward, the District Social Welfare Officers should have their offices in the Office of the Deputy Commissioner and they should work as Executive Assistants to the Deputy Commissioner for attending to the Social Welfare work in the District. All the Deputy Commissioners are requested to make necessary arrangements in this regard.
